## **RP. Deanery Secretary - Vacancy**

In June with the recently elected members from the APCMs in 2026 we need to appoint a new secretary. Alison Gilmour has decided that its time to retire after 13 years' service. The job is to take the minutes at the meetings (6 a year), be part of the Deanery Leadership team, maintaining an online list of all current members, creating publicity for Deanery events and services, circulating papers for our 3 statutory meetings each year, circulating notices from parishes who wish to invite Deanery friends to anything events. There is a statutory requirement to produce and circulate to all PCCs at the beginning of the year an annual report (agreed by both the Dean and Lay Dean) of the proceedings of the Deanery Partnership during the previous calendar year which forms part of the reports to the APCM, unless the elected delegate submits their own to the parish. Additionally, updating our Deanery Plan and ensuring we review it regularly (biennially), managing our annual calendar of events, contacting speakers, pulling together clergy contributions to our Deanery Prayer Calendar, contacting editors of parish magazines. Computer literacy for word-processing and creating publicity materials is needed. Anybody can be the Deanery Secretary and can be co-opted to the Deanery Team. Please pray and think about whether you could so this vital job. Contact Jackie if you can help.

## **T. Thorganby Coffee Morning**

## **RP. Will writing**

Will writing can be time-consuming and difficult – and that's a big reason why many people put it off. To make it easier, the Church of England has partnered with Farewill, the National

Will Writing Firm of the Year 2022, to offer a free online will writing service, which you can do from home in less than 30 minutes. If you have questions, Farewill's specialist team can help you over the phone or live chat 7 days a week.

Making a will and keeping it updated is the only way to ensure a person's wishes are carried out after their death, giving them peace of mind that they can continue supporting the family, friends and charities they love. In using Farewill, there is no obligation for anyone to leave a gift in their will to their church. However, if someone decides that they can, that gift - great or small - will help the church's ministry and mission thrive for the benefit of future generations. You can view and share a legacy special edition of the Parish Resources newsletter by clicking here.

### **RP. York Diocesan Conference:**

Dear sisters and brothers in Christ, It is with great joy I write to invite you to be part of the first Diocesan Conference held in the Diocese of York for over a decade. Next July, lay and ordained leaders from across our diocese are invited to

gather together in prayer and worship, in learning, fellowship and joy as we share and encourage one another as to how we are living Christ story across our wonderful, diverse diocese.

The first part of the conference on the Thursday and Friday is specific to licensed clergy and LLMs with a wider cross section of leaders from across the diocesan family, including you, invited for a non-residential conference all day on Saturday 25<sup>th</sup> July held at the University of York.

A Planning Team, chaired by Bishop Barry and reflecting the diversity of the diocese, has been working over recent months and further details of the programme and exact timings being published later in the year. I am excited at the shape this is taking and the possibilities this offers us.

A link for bookings is now open: <https://forms.office.com/e/HShJV4r5xq> For planning purposes, we are hoping you are able to RSVP by the end of August at the latest. Please complete the booking form even if you are unable to attend.

As we seek to maximise attendance, there is no charge for this conference beyond the cost of parking (we are hoping people will car share or make use of public transport where possible). There may also be space during the conference for those that would like to make a contribution toward the costs. Refreshments and lunch are included.

The Planning Team has agreed four learning principles for the conference which undergird their work and attendance at the conference assumes:

1. God - We gather in Jesus name in the fellowship of the Gospel. We follow God who is active and breaks into our learning, disrupting our plans and revealing the

Kingdom in often surprising ways, through the work of the Holy Spirit.

2. Us - Everyone is a participant of equal status. We are all both guests and hosts, each with something to give and something to learn. We seek to build up the whole Body of Christ in our worship, faithfulness and learning.

3. Learning - We seek to create a relaxing and creative space where participants can be open and honest, equipped to participate as fully as possible and allow relationships to develop. Whilst we will strive for excellence of input which resources, the focus will be on engagement, not expert delivery, honouring the experience of all in the room.

4. Responsibility - All participants will aspire to be fully present and to be willing to be responsible for how they engage with others, with the material and with the conference. Together, we aspire to honour the sense of being one family, where all are seen, heard and valued.

May we hold this important opportunity in our prayers and be assured of my continued prayers for all you are and do.

In the blessings of Christ,

THE  
ARCHBISHOP  
OF YORK

Following Archbishop Stephen's letter inviting you to our first York Diocesan Conference in over a decade, this is a reminder to complete the RSVP whether you are able to make it or not. ### **ES. Mothers Union.**

The only branch in the Rivers Partnership is based in Escrick and would welcome new members. You don't have to be a mother or even female; membership is open to all who have been baptised. If you are not baptised but still interested, that could be arranged. MU meetings are open to all and visitors are welcome. No pressure to become a member, just enjoy the session. If you are considering membership, but would like to meet nearer to home, come and meet us and we will help you to establish a branch nearer to you. You will have scope to tailor it to local availability. Some branches meet in the local pub. Escrick meet on the second Wednesday afternoon of the month as all of our members are retired, but we have held our summer meetings in the lighter evenings. MU is a fabulous charity working to improve the lives of so many in countries world-wide, not through other charities but with our own members on the ground, be they local or visitors. I hope this has sparked your interest. Pamela Yates, Branch Leader, tel 01904 728423
